# Phase One Warranties

Subject to the terms contained here and below, Phase One warrants new products manufactured by Phase One against defects in materials and workmanship for a period of twelve (12) months from the date of purchase and covers parts and labor for repairs. However, Phase One shall not be liable for consequential damages or loss of data.

During the warranty period, Phase One undertakes to repair defective items at no charge to the customer, when such defects are reported to Phase One within the warranty period, and the defective part(s) are returned to Phase One no later than thirty (30) working days after expiry of the warranty period. The customer shall cover the cost of transportation to Phase One, and Phase One shall cover the transportation costs for returning the products after repair.

The warranty is limited to the repair of the faulty part. The warranty does not cover faulty items, where the customer or a third party has attempted without authorization from Phase One to make alterations or repairs, or if the fault is caused by any other circumstances or equipment than the Products themselves or if it is determined that the cause of a failure is the result of customer action or neglect (e.g., dropping or other accident), in which case all costs will be invoiced to the customer. The warranty shall cover only such defects which are due to faulty materials or workmanship. Phase One carries no responsibility for any indirect loss, e.g. consequential loss; loss of profit; loss of data; additional costs etc. as a consequence of deficiencies in Phase One's deliveries.

Phase One shall have no obligation to make repairs required through normal wear and tear or necessitated in whole or in part by catastrophe, fault or negligence of the user, improper or unauthorized use of or attempt to repair the Products by user or others, or by causes external to the products of part thereof such as, but not limited to, power failure or unusual environmental conditions.

# Phase One Repair Procedure

Should you encounter a problem with your Phase One product, please contact your authorized Phase One dealer\* who will try to troubleshoot the problem.

If the product must be returned to Phase One, for repair, a Return Merchandise Authorization (RMA) number from Phase One will be requested by the authorized Phase One dealer.

Each product must be returned with a proof of purchase and a serial number. Phase One reserves the right to determine if the repair is covered by the terms of the warranty.

The product must be shipped with the RMA reference number. Shipping costs for RMA Products are at the charge of the sender. Phase One strongly recommends to contract a shipping insurance policy as any damage occurring during transportation is at the sender's sole responsibility.

RMA numbers are valid for a period of four (4) business days from the date of issuance. products must be sent to Phase One within that period. If a product is returned to Phase One, (a) without an RMA number from Phase One; or (b) beyond the four-business day period; or (c) without proper packaging; Phase One reserves the right to refuse the package and thereby, void the warranty.

Repaired product under the terms of warranty will be shipped back, all costs paid by Phase One.

For image quality issues, samples images must be included with the faulty product.

All repaired products with the Phase One warranty are covered for a period of ninety (90) days by the terms and conditions of such warranty.

Repaired products without the Phase One warranty are covered for a duration of six (6) months on the repaired parts.

*\*In the case of direct sales, please contact Phase One support via the Phase One website.*
